

MiFID II product governance / Retail investors, professional investors and eligible counterparties target market – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Securities, taking into account the five (5) categories referred to in item 19 of the Guidelines published by the European Securities and Markets Authority (**ESMA**) on 3 August 2023, has led to the conclusion that the target market for the Securities is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, **MiFID II**). Any person subsequently offering, selling or recommending the Securities (a **Distributor**) should take into consideration the manufacturer's target market assessment; however, a Distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Securities (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance / Retail investors, professional investors and eligible counterparties target market – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Securities has led to the conclusion that: the target market for the Securities is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (**COBS**), and professional clients, as defined in Regulation (EU) No 600/2014, as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (**EUWA**) (**UK MiFIR**), and retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of EUWA. Any person subsequently offering, selling or recommending the Securities (a **Distributor**) should take into consideration the manufacturer's target market assessment; however, a Distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Securities (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

PRIIPs Regulation – PROHIBITION OF SALES TO EEA RETAIL INVESTORS WITHOUT KID – The Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (EEA) without an updated key information document required by Regulation (EU) No 1286/2014 (as amended, the **PRIIPs Regulation**) for offering or selling the Securities or otherwise making them available to retail investors in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129, as amended (the **Prospectus Regulation**).

UK PRIIPs Regulation – PROHIBITION OF SALES TO UK RETAIL INVESTORS WITHOUT KID – The Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (**UK**) without an updated key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (**EUWA**) (as amended, the **UK PRIIPs Regulation**) for offering or selling the Securities or otherwise making them available to retail investors in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA (the **UK Prospectus Regulation**).

Prohibition of Offer to Private Clients in Switzerland without KID - The Securities are not intended to be offered or recommended to private clients within the meaning of the Swiss Federal Financial Services Act (the **FinSA**) in Switzerland without an updated key information document according to the **FinSA** or any equivalent document under the **FinSA** in relation to the Securities. For these purposes, a private client means a person who is *not* one (or more) of the following: (i) a professional client as defined in Article 4(3) **FinSA** (not having opted-in on the basis of Article 5 (5) **FinSA**) or Article 5 (1) **FinSA**; or (ii) an institutional client as defined in Article 4(4) **FinSA**; or (iii) a private client with an asset management agreement according to Article 58(2) **FinSA**.

The Securities do not constitute a participation in a collective investment scheme in the meaning of the Swiss Federal Act on Collective Investment Schemes (CISA). They are neither subject to authorisation nor supervision by the Swiss Financial Market Supervisory Authority FINMA (FINMA), and investors in Securities will not benefit from protection under the CISA or supervision by any Swiss regulatory authority and are exposed to the risk of the Issuer and Guarantor (if applicable).

PART B – OTHER INFORMATION

1 LISTING AND ADMISSION TO TRADING

- (a) Listing and admission to trading: Application has been made by the relevant Issuer (or on its behalf) for the Securities to be admitted to trading on **EuroTLX** and to be listed on the **Official List of Borsa Italiana S.p.A.** with effect from or as soon as practicable on or after the Issue Date
- (b) Estimate of total expenses related to admission to trading: See paragraph 4(c) of this Part B

2 RATINGS

Ratings: The Securities to be issued have not been rated

3 INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

A placement fee of up to 2.50 per cent. upfront of the Aggregate Nominal Amount of the Securities purchased by the distributor is payable by the Issuer to the distributor on the Issue Date. The fee is built into the terms of the Securities and impacts the rate of return on the Securities. The fee remunerates the distributor for making the product available to investors and not for advising them to purchase the product. If a distributor is providing investment advice to investors, the cost of such service should be arranged between the distributor and investors directly

Apart from the above, so far as the Issuer is aware, no further person involved in the issue of the Securities has a material interest to the Offer

4 REASONS FOR THE OFFER AND ESTIMATED NET PROCEEDS AND TOTAL EXPENSES

- (a) Reasons for the offer: See **Use of Proceeds** wording in Base Prospectus
- (b) Estimated net proceeds: Issue Price x Aggregate Nominal Amount of the Securities less distribution commissions mentioned in paragraph 6(d) of this Part B
- (c) Estimated total expenses: EUR 450 including listing costs and excluding regulatory fees where applicable

Whilst the designation is specified as “no” at the date of these Final Terms, should the Eurosystem eligibility criteria be amended in the future such that the Securities are capable of meeting them, the Securities may then be deposited with one of the ICSDs as common safekeeper. Note that this does not necessarily mean that the Securities will then be recognised |

as eligible collateral for Eurosystem monetary policy and intraday credit operations by the Eurosystem at any time during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have been met

8 BENCHMARKS REGULATION

Benchmarks Regulation: Article 29(2) Amounts payable under the Securities are calculated by reference to an Index (or, as the case may, be several Indexes), provided by the Index Sponsor(s) which is (are) included in the register of administrators and benchmarks established and maintained by the European Securities and Markets Authority (ESMA) pursuant to Article 36 of the Benchmarks Regulation (Regulation (EU) 2016/1011, as amended)

9 TERMS AND CONDITIONS OF THE OFFER

- (a) Offer Price: Issue Price
- (b) Conditions to which the offer is subject: The offer of the Securities is conditional on their issue and on the release by EuroTLX Spa, prior to the Issue Date of the relevant authorization of the admission of the Securities to listing on EuroTLX
- The Issuer reserves the right, in its absolute discretion, to cancel the offer and the issue of the Securities at any time prior to the Issue Date
- The Issuer shall publish a notice on its website (<http://www.documentation.ca-cib.com/IssuanceProgram>) in the event that the offer is cancelled and the Securities are not issued pursuant to the above
- For the avoidance of doubt, if any application has been made by a potential investor and the Issuer exercises its right to cancel the offer, such potential investor shall not be entitled to receive any Securities
- (c) Total amount of the securities offered to the public/admitted to trading; if the amount is not fixed, an indication of the maximum amount of the securities to be offered (if available) and a description of the arrangements and time for announcing to the public the definitive amount of the offer: The total amount of the securities offered to the public is up to 200,000 Certificates
- The definitive amount of the offer will be published on the website of the Issuer (<http://www.documentation.ca-cib.com/IssuanceProgram>) on or around the Issue Date
- (d) The time period, including any possible amendments, during which the offer will be open and description of the application process: Prospective investors may apply to subscribe for Securities during the Offer Period
- The Offer Period may be shortened or extended at any time and for any reason. In such case, the Issuer shall give notice to the investors as soon as practicable before the end of the Offer Period by means of a notice published on its website (<http://www.documentation.ca-cib.com/IssuanceProgram>)
- Applications for the Securities can be made during the Offer Period through the Distributor(s). The applications can be made in accordance with the Distributor(s) usual procedures. Prospective investors will not be required to enter into any

- contractual arrangements directly with the Issuer or the Dealer related to the subscription for the Securities
- A prospective investor should contact the Distributor(s) prior to the end of the Offer Period. A prospective investor will subscribe for Securities in accordance with the arrangements agreed with the Distributor(s) relating to the subscription of securities generally. There are no pre-identified allotment criteria. The Distributor(s) will adopt allotment criteria that ensure equal treatment of prospective investors. All of the Securities requested through the Distributor(s) during the Offer Period will be as otherwise specified herein
- (e) Description of the possibility to reduce subscriptions and manner for refunding amounts paid in excess by applicants: The Distributor(s), in agreement with the Issuer, reserves the right to accept any subscription requests for the Securities which would exceed the Aggregate Nominal Amount of up to 200,000 Certificates and the Issuer may increase the “up to” Aggregate Nominal Amount. The Issuer shall publish a notice on its website (<http://www.documentation.ca-cib.com/IssuanceProgram>) in the event that the “up to” Aggregate Nominal Amount of up to 200,000 Certificates is exceeded and the “up to” Aggregate Nominal Amount is increased
- (f) Details of the minimum and/or maximum amount of the application (whether in number of securities or aggregate amount to invest): There is no maximum amount of application
Minimum amount of application is EUR 100
- (g) Details of the method and time limits for paying up and delivering the Securities: The Securities will be available on a delivery versus payment basis
The Securities offered to investors will be issued on the Issue Date against payment by the Distributor(s), via the Dealer, to the Issuer of the gross subscription moneys. Each such investor will be notified by the Distributor(s) of the settlement arrangements in respect of the Securities at the time of such investor's application
- (h) A full description of the manner in and date on which results of the offer are to be made public: Publication on the website of the Issuer (<http://www.documentation.ca-cib.com/IssuanceProgram>) on or around the Issue Date
- (i) Procedure for exercise of any right of pre-emption, negotiability of subscription rights and treatment of subscription rights not exercised: Not Applicable
- (j) The various categories of potential investors to which the securities are offered: The Securities are offered to the public to eligible counterparties, professional client and retail Investors
- (k) Whether a tranche has been or is being reserved for certain countries, indicate any such tranche: Not Applicable
- (l) Process for notifying applicants of the amount allotted and an indication whether dealing may begin before notification is made: Applicants will be notified directly by the Distributor(s) of the success of their application. Dealing in the Securities may commence on the Issue Date
- (m) Indication of the amount of any expenses and taxes charged to the subscriber or purchaser: See paragraph 6(d) above
Responsibility for any tax implications of investing in these

Securities rests entirely with the subscriber or purchaser

C. Qualifications in the audit report

The audit reports do not contain any qualifications with respect to Crédit Agricole CIB's historical financial information.

D. Principal Risk Factors relating to the Guarantor

The following risks have been identified as being significant and specific to the Guarantor and of a nature, should they materialise, to have a significant negative impact on its business activity, its financial position and its access to various sources of financing:

- 1) Credit and counterparty risks, which include credit risks on its corporates and financial institutions counterparties, risk on sector or individual concentration, counterparty risk on market transactions, credit risk related to securitization transactions as well as country and sovereign risks;
- 2) Financial risks, which include market risk, risk of change in the value of its securities portfolio, foreign exchange risk, transformation risk, liquidity risk, risk of change in the value of equity investments, and global interest rate risk;
- 3) Operational risks and associated risks, which include compliance and legal risks and other operational risks including information system security risks;
- 4) Business risks, which include systemic risk (negative impact of adverse economic and financial conditions, as well as changes in laws and regulations) or strategic risk;
- 5) Climate and environmental risk; and
- 6) Risks relating to the structure of the Crédit Agricole Group.

3.4 What are the main risks specific to securities?

There are risk factors which are material for the purpose of assessing the risks related to the Securities, including the following:

1. The trading price of the Securities may fall in value as rapidly as it may rise and Certificateholders may sustain a total loss of their investment;

2. The Securities may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Illiquidity may have an adverse effect on the market value of the ;
3. The implementation in France of the EU Bank Recovery and Resolution Directive could materially affect the rights of the Certificateholders, the price or value of their investment in the Securities and or the ability of the Guarantor to satisfy its obligations under the Securities;
4. French insolvency law could have an adverse impact on Certificateholders seeking repayment in the event that the Issuer, the Guarantor or its subsidiaries were to become insolvent and could have a material adverse effect on the market value of the Securities;
5. The risk relating to the unsecured nature of the Securities and the Guarantee, the absence of negative pledge and debt restrictions with respect to the Issuer and the Guarantor, all of which could have an adverse effect on the market value of the Securities;
6. The optional redemption feature of the Securities might negatively affect the market value of the Securities;
7. The Automatic Early Redemption Amount and the Final Redemption Amount of the Securities are dependent upon changes in the market value of the Underlying(s), which could adversely affect the market value of the Securities. In addition, the Early Redemption Amount and the Final Redemption Amount may be less than the nominal amount of the Securities and the holders of Securities may lose all or part of the amount of the principal invested;
8. An investment in the Securities does not confer any legal or beneficial interest in the Underlying(s) or any voting rights, right to receive dividends or other rights that a holder of the Underlying(s) may have. Potential losses in value of the Securities cannot be compensated by other income; and

4. KEY INFORMATION ON THE PUBLIC OFFER OF SECURITIES AND/OR ADMISSION TO TRADING ON A REGULATED MARKET

4.1 Under what conditions and according to what timetable can I invest in this security?

The Securities are offered for a maximum nominal amount of up to EUR 20,000,000 (i.e. up to 200,000 Certificates)

The Securities are expected to be admitted to trading on or as soon as practicable after the Issue Date, on EuroTLX, a Multilateral Trading Facility operated by Borsa Italiana S.p.A.

The Securities will be offered to eligible counterparties, professional client and/or retail Investors, during an open period from 20 April 2026 to 24 April 2026 (the **Offer Period**) in Italy, subject to (i) the Securities being admitted to trading, if applicable, and (ii) an early closure of the Offer Period in the Issuer's sole and absolute discretion depending on market conditions, as specified below.

Prospective investors may apply to subscribe for Securities during the Offer Period. The Offer Period may be shortened or extended at any time and for any reason. In such case, the Issuer shall give notice to the investors as soon as practicable before the end of the Offer Period by means of a notice published on its website (<http://www.documentation.ca-cib.com/IssuanceProgram>).

Applications for the Securities can be made during the Offer Period through the Distributor (as defined below). The applications can be made in accordance with the Distributor's usual procedures. Prospective investors will not be required to enter into any contractual arrangements directly with the Issuer or the Dealer (as defined below) related to the subscription for the Securities.

A prospective investor will subscribe for Securities in accordance with the arrangements agreed with the Distributor relating to the subscription of securities generally.

The Securities will be available on a delivery versus payment basis. The Securities offered to investors will be issued on the Issue Date against payment by the Distributor, via the Dealer, to the Issuer of the gross subscription moneys. Each such investor will be notified by the Distributor of the settlement arrangements in respect of the Securities at the time of such investor's application.

The Issuer estimates that the Securities will be delivered to the investor's respective book-entry securities account on or around the Issue Date. Applicants will be notified directly by the Distributor of the success of their application. Dealing in the Securities may commence on the Issue Date.

If the subscription for a Security occurs after the closing of the offering, the order will be automatically cancelled and the subscription proceeds will be returned to the relevant investor in accordance with the instructions communicated to Crédit Agricole CIB at the time of the subscription request. Subscription requests for Securities will be received within the limit of the number of Securities available. Subscription orders for Securities may be reduced in the event of oversubscription and any excess proceeds will be returned by Crédit Agricole CIB to the investor.

A placement fee of up to 2.50 per cent. upfront of the Aggregate Nominal Amount of the Securities purchased by the Distributor is payable by Crédit Agricole CIB to the distributor on the Issue Date.

Estimate of the total expenses: EUR 450 including listing costs and excluding regulatory fees where applicable. No expenses will be charged to the investors.
