GENERAL INFORMATION

IBRD’s most recent Information Statement was issued on September 23, 2025.

CONFLICT OF INTEREST

The Distributors will receive a commission for the distribution investment service performed in the context of the Offer. Furthermore, UniCredit S.p.A., one of the Distributors, belongs to the

same banking group as UniCredit Bank GmbH. The fact that the Distributors receive a distribution commission creates potential conflicts of interest.

The Dealer and its affiliates, including certain Distributors, have engaged, and may in the future engage, in investment banking and/or commercial banking transactions (including the provision of loan facilities in a significant amount) and other related transactions with, and may perform advisory, financial and/or non-financial services for, the Issuer. In addition, in the ordinary course of business the Dealer and its affiliates, including certain Distributors, may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer. The Dealer and its affiliates, including certain Distributors, may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

In addition, (i) the Dealer (including through its controlling entity, UniCredit S.p.A) has undertaken certain obligations in respect of the related swap transaction entered into by IBRD with suitable third parties in order to hedge its obligations under the Notes, and (ii) UniCredit S.p.A., the holding company of UniCredit Group, to which the Dealer belongs, will act as Specialist on the MOT market.

The Dealer will retain an implicit mandate fee of 0.62 per cent. of the Aggregate Nominal Amount of the Notes, which is included in the Offer Price.

The existence of such multiple roles and responsibilities for the Dealer creates possible conflicts of interest, considering that the Dealer will receive fees for all the roles assumed in the bond issuance.

TERMS AND CONDITIONS OF THE OFFER

The Issuer has agreed to allow the use of these Final Terms and the Prospectus by the Dealer and by any entities appointed as distributors by the Dealer (the “**Distributors**” or the “**Authorized Offerors**”) in connection with an offering of the Notes in Italy (the “**Offer Jurisdiction**”) during the Offer Period (as defined below). The list of the Distributors is published on the following website: www.investimenti.unicredit.it on the starting date of the Offer Period, as may be updated during the Offer Period.

The Offer is conducted in Italy only and is addressed to the public at large.

Qualified Investors, as defined by article 100, paragraph 3, lett. (a), of the Italian Financial Services Act, as implemented by art. 35, paragraph 1, lett. (d) of CONSOB Regulation No. 20307/2018 as amended from time to time, can also acquire the Notes in the framework of the Offer of the Notes.

During the Offer Period (as defined below), the Notes will be distributed without any underwriting commitment by the Distributors, pursuant to certain distribution agreements between the Dealer and the Distributors. On the Issue Date, the Notes will be subscribed for by the Dealer acting as principal and then assigned by the Distributors in the context of the Offer of the Notes.

No undertakings have been made by the Distributors or third parties to guarantee the outcome of the Offer of the Notes in connection of any minimum amount of the Notes.

The Offer of the Notes will be made only in accordance with the selling restrictions set forth in the Prospectus and the provisions of these Final Terms and in compliance with all applicable laws and regulations, provided that no such Offer of Notes shall require the Issuer or the Dealer to publish a prospectus pursuant to the Prospectus Regulation (or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation) or to take any other action in any jurisdiction other than as listed above.

- (i) Offer Period: *Offices/premises of the Distributors*

(ii) Offer Price:

The Issue Price, which is equal to 100 per cent. of the Specified Denomination of each Note.

The Offer Price includes, per Specified Denomination, (i) an upfront commission for the distribution of the Notes which represents the remuneration of the Distributors, equal to a maximum amount of 1.00 per cent. (including VAT, if any) of the Specified Denomination of the Notes distributed by each Distributor, and (ii) a mandate fee of 0.62 per cent. (including VAT, if any) of the Specified Denomination of the Notes distributed by each Distributor, which represents the remuneration of the Dealer, and (iii) a charge as compensation for certain operational charges retained by the Dealer equal to 0.00 per cent. (including VAT, if any) of the Notes.

Investors should take into account that if the Notes are sold on the secondary market after the Offer Period, the above-mentioned commission included in the Offer Price is not taken into consideration in determining the price at which such Notes may be

sold in the secondary market.

- (iii) Early termination, extension, withdrawal and cancellation:

The Issuer reserves the right, in agreement with the Dealer, to terminate the Offer Period early at any time, also in circumstances where subscription for the Notes is not yet equal to the Total Amount of the Offer. The Dealer, on behalf of the Issuer, will inform the public of the early termination of the Offer Period by means of a notice to be published on the website www.investimenti.unicredit.it.

The Issuer reserves the right, at its sole discretion, to revoke/withdraw the Offer and cancel the issuance of the Notes at any time prior to the Issue Date and if so, no Notes will be issued, including in circumstances where the Aggregate Nominal Amount of the Notes to be issued would be less than EUR 2,000,000. The Dealer, on behalf of the Issuer, will inform the public of the withdrawal of the offer of the Notes and the cancellation of the issuance of the Notes by means of a notice to be published on the website www.investimenti.unicredit.it.

For the avoidance of doubt, if any application has been made by a potential investor and the Issuer exercises such a right, all subscription applications will become void and of no effect without further notice and each such potential investor shall not be entitled to subscribe for or otherwise acquire the Notes.

The Issuer reserves the right, in agreement with the Dealer, to extend the Offer Period. The Dealer, on behalf of the Issuer, will inform the public of the extension of the Offer Period by means of a notice to be published on the website www.investimenti.unicredit.it.

During the Offer Period, prospective investors may apply for the subscription of the Notes during normal Italian banking hours at the offices (*filiali*) of any Distributor by filling in, duly executing (also by appropriate attorneys) and delivering a specific acceptance form (the “**Acceptance Form**”) from and including March 2, 2026, at 9.00 am CET time to and including March 24, 2026, at 5.00 pm CET time, subject to any early termination or extension of the Offer Period or cancellation of the issuance of the Notes, as described under paragraph (iii) above. Distributors intending to distribute Notes through door-to-door selling pursuant to Article 30 of the Italian Financial Services Act will collect the Acceptance Forms through financial advisors authorized to make off-premises offers (*consulenti finanziari abilitati all'offerta fuori sede*) pursuant to Article 31 of the Italian Financial Services Act.

Pursuant to Article 30, paragraph 6, of the Italian Financial Services Act, the validity and enforceability of contracts entered into through door-to-door selling is suspended for a period of 7 (seven) days beginning on the date of subscription by the relevant investor.

Within such period investors may notify the relevant Distributor and/or financial advisor of their withdrawal without payment of any charge or commission.

Within such terms, the effects of the subscription agreements will be suspended and the investor can withdraw by means of a notice to the Distributor without any expenses or other fees.

Income Tax

Under the current legislation in force in the Republic of Italy, pursuant to the provisions of Legislative Decree No. 239 of 1 April 1996, as amended and restated from time to time (**Decree 239**), and of Article 12, paragraph 13-bis of Legislative Decree No. 461 of 21 November 1997 as amended and restated from time to time (**Decree 461**), payments of interest, premium and other proceeds (including the difference between the redemption amount and the issue price) (hereinafter collectively referred to as **Interest**), in respect of the Notes accrued during the relevant period:

- (i) will be subject to a 12.5 per cent. substitute tax (*imposta sostitutiva*), levied as final tax if made to beneficial owners who are: (i) Italian resident individuals not engaged in a commercial activity; (ii) Italian resident non-commercial partnerships (partnerships other than *società in nome collettivo* or *società in accomandita semplice* or similar commercial partnerships) or a de facto partnership not carrying out commercial activities (*società semplice*) or professional associations; (iii) Italian resident public and private entities, trusts, other than companies, not carrying out commercial activities as their exclusive or principal purpose (including the Italian State and national or local government entities); and (iv) Italian resident entities or organizations exempt from corporate income tax.

The 12.5 per cent. *imposta sostitutiva* shall be a final tax and payments of Interest in respect of the Notes will not be included in the general taxable base of the above mentioned individuals, partnerships, trusts and entities.

Where the resident holders of the Notes described above under (i) and (iii) are engaged in a commercial activity to which the Notes are effectively connected, *imposta sostitutiva*

applies as a provisional income tax and may be deducted from the taxation on income due or be claimed for refund in the relevant tax return.

The 12.5 per cent. *imposta sostitutiva* will be levied by the Italian resident qualified financial intermediaries that will intervene, in any way, in the collection of interest and other proceeds on the Notes or in the transfer of the Notes.

Subject to certain limitations and requirements (including a minimum holding period), Italian resident individuals not engaged in a commercial activity to which the Notes are effectively connected may be exempt from any income taxation, including the *imposta sostitutiva*, on Interest in respect of the Notes if the Notes are included in a long-term saving account (*piani di risparmio a lungo termine*) that meets the requirements from time to time applicable as set forth by Italian law.

- (ii) will not be subject to the 12.5 per cent. *imposta sostitutiva* if made to beneficial owners who are: (i) Italian resident corporations, commercial partnerships or permanent establishments in Italy of non-resident corporations to which the Notes are effectively connected; (ii) Italian resident collective investment funds, SICAVs, non-real estate SICAFs, Italian resident pension funds (subject to the regime provided for by Article 17 of the Legislative Decree No. 252 of 5 December 2005) and Italian resident real estate investment funds and real estate SICAFs established pursuant to article 39 of Legislative Decree No. 58 of February 24, 1998 and article 14-bis of law No. 86 of January 25, 1994; (iii) Italian resident individuals who have entrusted the management of their financial assets, including the Notes, to an Italian authorised financial intermediary and have opted for the so-called *risparmio gestito* regime according to Article 7 of Decree 461 (**Managed Savings Option**) and (iv), non Italian residents with no permanent establishment in Italy to which the Notes are effectively connected, provided that if the Notes are held in Italy the non Italian investor promptly file with the authorised financial intermediary an appropriate *affidavit (autodichiarazione)* stating that the investor is not resident in Italy for tax purposes.

Interest accrued on the Notes held by Italian resident corporations, commercial partnerships, Italian resident individuals engaged in a commercial activity as well as Italian resident public and private entities, other than companies, holding Notes in connection with entrepreneurial activities or permanent establishments in Italy of non-resident corporations to which the Notes are effectively connected, are included in the taxable base for the purposes of: (i) corporate income tax (*imposta sul reddito delle società, IRES*); or (ii) individual income tax (*imposta sul reddito delle persone fisiche, IRPEF*) plus local surtaxes, if applicable; under certain circumstances, such interest is included in the taxable basis of the regional tax on productive activities (*imposta regionale sulle attività produttive, IRAP*).

If holders of Notes subject to 12.5 per cent. *imposta sostitutiva* levied as a final tax hold the Notes through an authorised intermediary in Italy having asset management power over such Notes, such holders may opt to pay a final 26 per cent. tax levied by the intermediary on all Interest, other payments and gains deriving from such management on an annual basis (Managed Savings Option). However, in such case, Interest, other payments and gains arising from the Notes will be taxable for a portion equal to 48.08 per cent. only. If holders of Notes subject to 12.5 per cent. *imposta sostitutiva* levied as a provisional tax hold Notes through such an assets manager, interest, other payments and gains will be included as part of their overall taxable income.

If Interests are paid outside of Italy by an entity other than an authorised intermediary in Italy to residents of Italy who would otherwise be subject to the above 12.5 per cent. final tax, holders of Notes must include the payments received in their income tax return and the payments shall be subject to a different substitute tax at a 12.5 per cent. rate or, at the holders' option, to income taxes at the applicable rates to their overall income with a tax credit for taxes paid abroad.

If the Notes are held by an Italian pension fund and are deposited with an authorised intermediary, Interest relating to the Notes and accrued during the holding period will not be subject to the substitute tax, but must be included in the result of the relevant portfolio accrued at the end of the tax period to be subject to a 20 per cent. substitute tax.

If the Notes are held by an Italian authorised investment fund (*organismi di investimento collettivo del risparmio* – O.I.C.R.), a SICAV (*società di investimento a capitale variabile*) investing in securities and are deposited with an authorised intermediary, Interest relating to the Notes and accrued during the holding period will not be subject to the substitute tax.

If the Notes are held by an Italian real estate investment fund (*fondi immobiliari*) (complying with the definition as amended pursuant to Law Decree No. 78 of 31 May 2010, converted into Law No. 122 of 30 July 2010), to which the provisions of Law Decree No. 351 of 25 September 2001, as subsequently amended (**Decree 351**), apply or an Italian real estate SICAF (*società di investimento a capitale fisso*), to which the provisions of Legislative Decree No. 44 of 4 March 2014 (**Decree 44**) apply and are deposited with an authorised intermediary, Interest relating to the Notes and accrued during the holding period will not be subject to the substitute tax in the hands of the real estate investment fund or the Italian real estate SICAF.

Capital gains

Any capital gain realised upon the sale for consideration or redemption of Notes would be treated for the purpose of corporate income tax and of individual income tax as part of the taxable business income of Noteholders (and, in certain cases, depending on the status of the Noteholders, may also be included in the taxable basis of IRAP), and therefore subject to tax in Italy according to the relevant tax provisions, if derived by Noteholders who are:

- (a) Italian resident corporations;
- (b) Italian resident commercial partnerships;
- (c) permanent establishments in Italy of foreign corporations to which the Notes are effectively connected; or
- (d) Italian resident individuals carrying out a commercial activity, as to any capital gains realised within the scope of their commercial activity to which the Notes are connected.

Gains realised on the disposal or redemption of Notes by residents of Italy who are individuals not acting in a business capacity or by non-business partnerships or by private or public institutions not carrying out mainly or exclusively business activities will be subject to a final capital gains tax currently at the rate of 12.5 per cent. The tax applies to all gains and losses realised in the relevant year and losses may be carried forward to the subsequent four years. Said holders of Notes may opt to pay capital gains tax declaring the gains in their annual income tax return or, if the Notes are deposited with an authorised intermediary in Italy, authorising the intermediary to levy the said capital gains tax according to Article 6 of Decree 461 (**Administered Savings Option**). If they have elected for the Managed Savings Option, a portion equal to 48.08 per cent. of the gains arising from the Notes will be subject to the tax applicable thereto. Instead, gains realised by residents of Italy who are individuals acting in a business capacity, partnerships, limited partnerships, corporations or permanent establishments of foreign corporations shall be subject to income or corporation taxes as part of the overall business income (and, in certain cases, may also be included in the taxable net value of production for IRAP purposes).

Gains realised by investment funds (*organismi di investimento collettivo del risparmio* – O.I.C.R.), SICAVs (*società di investimento a capitale variabile*) and non-real estate SICAFs will be included in the result of the portfolio accrued at the end of the tax period and will not be subject to taxation on such results.

Gains realised by Italian real estate investment funds to which the provisions of Decree 351 apply or by Italian real estate SICAFs, to which the provisions of Decree 44 apply, are subject neither to capital gains tax nor to any other income tax in the hands of the real estate fund or SICAF.

Gains realised by Italian pension funds will be included in the result of the relevant portfolio accrued at the end of the tax period to be subject to a 20 per cent. substitute tax.

Capital gains realised by non-Italian residents without a permanent establishment in Italy to which the Notes are effectively connected, through the sale for consideration or redemption of Notes are not subject to income tax in Italy to the extent that the Notes are held outside Italy or are listed on a regulated market in Italy or abroad. If the Notes are held in Italy the exemption applies provided that the non Italian investor promptly file with the authorised financial intermediary an appropriate

affidavit (autodichiarazione) stating that the investor is not resident in Italy for tax purposes. Moreover, *imposta sostitutiva* does not apply if the non-Italian resident investor holding Notes in Italy is resident for tax purposes in a Country ensuring an adequate exchange of information in tax matters with Italy. The provisions of applicable tax treaties against double taxation entered into by Italy apply if more favorable and provided that all relevant conditions are met.

The Notes are excluded from the tax base of the Italian inheritance tax according to article 12 of Legislative Decree 346/1990.
